Summer Y Program Support – At the Y, we are strengthening the foundations of community through youth development, healthy living and social responsibility. The proceeds from the 2012 YMCA Golf Classic will be making sure that all youth and families in Fort Bend County can participate in character building YMCA programs this summer regardless of their ability to afford the services. Whether it is providing a child with a summer of memories at one of our facility and outreach camps, or providing lifesaving water instructions lessons and programs, your support is truly making an impact on the youth and families in Fort Bend County. Thanks!!
